Dear All

I thought I would show everyone where we are with the ladies box league. It's not been without its teething troubles! But we have womanly battled on and got lots of the matches played.

As you can see Joy ( who has very kindly been our yoyo player) is now partnered with Helen as Anna is injured and unable to play for a while.

We finished with this league but anyone wanting to be in the Summer Box League, please send a text to me or contact me via email by **the end of June!**

It will go on until September or if we finish before Ill set up another one.

Thanks and have fun
